Just

~~Just~~ disappeared into the tunnel of a book.

Rising late at night, ~~we~~ join the current

Of tomorrow's news.

~~Some others, we haven't anything to ask for~~

~~Of tomorrow~~

We're just pieces of solid geometry:

Cylinders or rhomboids.

~~A certain satisfaction~~

~~Has been given to us~~

Sure, we keep coming back

For more than a part of the "human" aspect

There are darker regions

Peaceful and ^{will be} ~~should~~ explore some time.

For now it's enough that this day is over.

It brought its head of freshness, dropped it off

And left

~~The Little North Sea~~

~~Some of the best summer weather~~

~~Has been given to us~~

~~Has been given to us~~

~~Has been given to us~~

~~Has been given to us~~

~~Has been given to us~~

~~Has been given to us~~

~~Has been given to us~~

~~Has been given to us~~

~~A Great North Sea~~

~~Has been given to us~~
