

## Today's Horoscope

 **QUARIUS:** Be charming. Buy tasteful items or things that must endure: get your nails done! (If you're born on Valentine's Day you should wear a mouth guard while flying in a plane.) Unimportant interactions and transactions can run smoothly. Don't use public transportation! Starbucks drive-thru only. You're acting really strange these days. I'm scared. XOXO

 **ISCES:** When heading out on a romantic escapade, sex should be meaningful. You're a dynamo. Mow your front lawn. That keeps your neighbors away and opens up new opportunities to make friends with strangers. Did you ever drink a beer that was similar to your name? XOXO

 **RIES:** Too many coins can cause a heavy bag. Travel light! Save money to work for your future security. College students are obsessed with you...Scheduling a sleepover will help you catch up quickly. You have potential. Stop wasting it. How about free drinks for a month? XOXO

 **AURUS:** Road work ahead! Plan on finding entertainment and travel to distant countries in order to find the safety of your own snuggly living room couch and TV. Not for people without couch, TV, or snuggly living room. Dress comfortably – especially your shoes! XOXO

 **EMINI:** "Sniff out the facts." "Hi how are you doing?" "Take care."

 **ANCER:** People can be more generous and optimistic than usual. Plan fun game nights for your family every week! They may pay a higher price if you have something to sell. Change your closet: fall colors suit you better. You'll learn to embrace this new change in no time. XOXO

 **EO:** Talk to your partner but don't annoy him. Have you ever read your horoscope? If so, then you're practicing astrology. Astrology is the study of how the movement of the planets and stars influence a person's personality or things that may happen to them in the future. To read the horoscope, you need to know your sign. XOXO

 **IRGO:** Be creative about advertising your talents! A whim might blossom into an annoying hobby. You will get your period two days early this month. When crises or emergencies arise you better have your phone with you when you leave for the toilet. Tip: bring a camera to capture your sweet memories. XOXO

 **IBRA:** People are easily attracted to you and are willing to accept your words as facts if you work in a post office. You should start decorating for Halloween early this year. Diet time. Better use your trick-or-treat bowl as salad spinner. Respect Xmas. Keep your nose to the ground. WiFi Password: loveyourtemperature XOXO

 **CORPIO** — Meet them and greet them. Work at the pool or at a beach. You may be everybody's darling but never forget to ask "Are you choking?!" before you hold customers in a choking emergency. Pleasant proximity could change an unpleasant ankle shackle. XOXO

 **AGITTARIUS:** Consider permission always. Tell your family about your plans to purchase a house. It's not possible to hide the moving van. The help and guidance of a wise man can lead to torture or tohubohu. Call your sibling on your birthday (12/8/18). XOXO

 **APRICORN:** Calm down. Dig out a silk negligee or turn on soft romantic music. Save water by using other people's showers. Only gamble money and stop playing games. XOXO
