

It sizzles, fizzles and bubbles,  
in a stainless steel coffee maker.  
The coffee grounds are getting colder, are getting stiff,  
on the white wall of the ceramic cup.

In case of a raised trunk, and the trunk is raised in your case,

A is you and portal means potential. You are going to encounter new opportunities.  
I see a baby tooth.  
I see a bikini top.  
I see a horizon.  
One side of the cup is completely dark. The other side is only covered halfway. Above this  
there are only some fine brownish lines.  
Like the moment when a wave splashes on the beach, the water runs back into the ocean,  
and the foam produced by the wave still exists before it sinks slowly into the sand.  
In the ocean, in the dark part of the cup, I see a jellyfish with a dot in its belly.  
A person close to you will bring you the message that they will have a baby.  
I see a spiral. A vortex.  
Trap / energy booster.  
Yacht means you will go bankrupt.  
I see a ferry.  
I see some lemons.  
Envy gnaws at you.  
I see a lightbulb.  
Your intuition is strengthened. Believe in it.  
I see a hammer.  
The smashed lightbulb will bring you a great portion of luck.  
I see a mermaid.  
I see scissors.  
I see an e-scooter.  
Tomato means love is around the corner.  
I see a keyhole.  
I see a very long nail.  
I see a dragon.  
I see a baguette. I see a baguette in a handbag.  
Baguette is bread, and bread is an important experience you've had, now coming to an end.  
I see a bus. Bus 69.  
I see you riding this bus to a place starting with P.  
P like Panorama.
